### **Oddie Wells Project Update: Road Closure on Oddie Blvd. and Sullivan Way**

**Reno, Nevada (April 14, 2023)** – The Regional Transportation Commission (RTC) of Washoe County is continuing construction on the Oddie Wells Project and is advising the community of upcoming traffic control changes due to ongoing construction activity and paving operations for Phase 2 of the Oddie Wells project.

- Beginning Monday, April 17, 2023 the intersection of Oddie Blvd. and Sullivan Way will be closed in all directions. Traffic will be detoured at Rock Blvd. and El Rancho Drive; motorists will be redirected to Prater Way and Greenbrae Drive.

The road closure will be in effect thru Friday, April 28, 2023. Attached is a map which provides a graphic demonstration of the impacted areas. The RTC reminds everyone to account for extra time in their travel plans, and to use extra caution in and around the construction zone for everyone's safety.

#### **About the Oddie Wells Project:**

The Oddie Wells Project will increase safety, connectivity, and mobility options along this heavily traveled corridor. The project plans include new lighting, landscaping, ADA improvements, pedestrian ramps, and bicycle facilities, providing safer traffic operations.

Corridor improvements will support economic investment and redevelopment while enhancing the quality of life for area residents by improving accessibility and safety. Construction will be completed in four phases and is anticipated to be complete by fall of 2024, weather permitting.
